# Katy Bourne for Sussex Police & Crime Commissioner

Conservative Candidate - More Police, Safer Streets

*Dear Resident*

Having served as Sussex Police & Crime Commissioner since 2012, I have the experience and proven track record to continue making a difference to policing our county.

As PCC, I have robustly held the police to account on behalf of residents, successfully supported victims of crime and invested heavily in frontline policing. Achievements so far include:

- The biggest rise in police officer numbers with more now than when I was re-elected in 2016
- Restored neighbourhood policing, recruited more PCSOs
- Established a ground-breaking early-intervention scheme REBOOT for 11-17 year olds
- Delivered on rural and business community crime concerns, with a dedicated Rural Crime Team and Sussex Safer Business Partnership
- Ensured Sussex Police treat road safety and antisocial behaviour seriously
- Directed £ millions of pounds to support victims of crime, divert young people from harm and helped communities protect themselves

This election matters. The PCC is responsible for setting the £310m budget, has powers to appoint and dismiss the Chief Constable and must ensure residents' views are represented when setting policing priorities.

We've made real progress to deliver - let's not put that work at risk now.

This includes victimless prosecutions where the victim does not want to support a prosecution.

### Rape and serious sexual offences

- Continue to invest in specialist support services to assist victims and survivors with their recoveries from rape, sexual violence and exploitation by co-commissioning a Pan-Sussex service accessible to all.

- Commission specialist advocacy services for victims of stalking and harassment in Sussex, ensuring these are accessible to all. • develop partnership responses to tackling stalking perpetrators.

### Elder abuse

- Commission services either as stand-alone or in partnership to provide the best possible response to the most vulnerable victims of crime.

This information will be used to help design future services, ensuring the voice of the victim is placed at the centre of funding and service decisions.
- Continue to provide successful outcomes for victims of crime seeking restitution by confronting perpetrators and describing the impact of the crime upon them and their families – rather than from a criminal justice outcome – through the Sussex Restorative Justice Partnership.
